Commissioner for Patents

A third month's extension of time has been charged under rule 1.136(a)(3). Applicants' authorization, in the reply filed November 1, 2007, to charge any additional fees required under 37 C.F.R. 1.16 and 1.17 was treated as a constructive petition for an extension of time in any concurrent or future reply requiring a petition for an extension of time under this paragraph for its timely submission (37 C.F.R. 1.136(a)(3)). Accordingly, in view of the Examiner's amendment of November 26, 2007, which occurred after the expiration of Applicants' two months extension and within the three months extension period, an additional charge of the third month is to be charged to Applicants' account. The additional charge is \$295.
